

## THE BEST HEAD FOR THE HILLS RETREAT 2018

Our annual Disability Employment Think Tank will be again held by the Yarra River, Warburton. Open to a limited number of participants, we'll be examining the theme "Transition - Heaven or Hell, Choose your Pathway". The 2017 event was an outstanding success with considerable outcomes achieved. This year's promises to build on those outcomes and generate new directions and innovative solutions. A relaxed open vibe supported by working in the open by the river fosters inclusive innovative rich discussion.

What do you need to know right now?

Date: Tuesday 30th October - 1st November inclusive (we meet on the Monday night, 29th October before getting busy on Tuesday morning).

Venue: Oscars on the Yarra, Warburton, VIC.

Accommodation: Maximum room capacity of 22 rooms on site. Twin share or single at your cost.

Meals: At your cost and included in your accommodation pricing (we've arranged a great meal package and the food is very, very good). We cover the cost of a BBQ lunch on the last day, as thank you for your contribution to the discussions.

What to bring: a comfortable outdoor chair if you wish, an open mind, a hat and a willingness to share and discuss ideas.

Cost: \$500.

Activities: It's not all work and no play. Last year we headed off to the The Yarra Valley Dairy, Four Pillars Distillery and the Yarra Valley Chocolatier and a great vineyard cellar for dinner. This year we'll no doubt have a new request, but we'll still offer The Yarra Valley Dairy, Four Pillars Distillery as options and then dinner at the Innocent Bystander Cellars.

Details will be available by March, or feel free to email Lauren if you have any questions. Preference will be given to returning guests.
